14th August 2009

Dear Mr Orland,

Thank you very much for a copy of your report on pre-stunning animals at slaughter.

The subject of religious slaughter embraces complex economic, ethical and social issues and has been debated regularly and vigorously in Britain and elsewhere.

I will bring your report to the attention of members of the Farm Animal Welfare Council and welcome its contribution to the debate.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'C. M. Wathes', is positioned below the closing 'Yours sincerely,'.
